*"Now Jericho was tightly shut up because of the Israelites. No one went out and no one came in. Then the Lord said to Joshua, 'See, I have delivered Jericho into your hands, along with its king and its fighting men. March around the city once with all the armed men. Do this for six days. Have several priests carry trumpets of ram's horns in front of the ark. On the seventh day, march around the city seven times, with the priests blowing the trumpets. When you hear them sound a long blast on the trumpets, have all the people give a loud shout; then the wall of the city will collapse and the people will go up, every man straight in.'"
